6	Tea served from 4.45pm. All DPhil students are welcome to attend, at any stage of the year, whatever year they are in, and whether or not they attended in previous terms or years. We discuss a wide range of problems, techniques, and methods that tend to arise in the researching and the writing of the kinds of doctorates done within the Faculty (with the exception of linguistics, to which the workshop is less well geared). Apart from perhaps giving a very brief presentation during the year, students do no preparation: they just turn up.
