1.4 Russian Revolution Centenary Event - "A Dog's Heart" by Bulgakov

Xameleon Theatre presents:
A Dog's Heart
After Mikhail Bulgakov's novel

Performed in Russian with English subtitles.
Thursday 5th October – 7:30 pm, Friday 6th October – 7:30 pm,
Saturday 7th October – 3 pm and 7:30 pm

At Pleasance Theatre Islington, Carpenters Mews, North Road, London N7 9EF

In a surrealistic world, a brilliant medical professor transforms a stray dog into a monstrous man who turns on his creator... Written in 1925, Mikhail Bulgakov's satirical masterpiece was banned in Russia for 60 years for its controversial portrayal of the social clash between classes and generations. The story, featuring a stray dog named Sharik who takes human form as a narcissistic incarnation of the New Soviet Man is traditionally interpreted as an allegory of the Communist revolution. Marking the centenary of the Russian Revolution, London based Russian company Xameleon Theatre presents an interactive, original take on a tale still surprisingly relevant in today's divided world.

3.4 German Books For Sale

I'm a German graduate from Teddy Hall, and I'm looking to sell most of the books that I bought first-hand during my degree.

All the books are in extremely good condition, and some of them barely used. You may find the occasional annotation but it will be in pencil and easily erasable (except poetry books where specified). All these prices are half the original price or less (based on Amazon), so I can guarantee you will be saving loads of money (unlike me in first year)! They will be sold on a first come first served basis – all you need to do is email me as soon as you've decided which ones you want!

I'm happy to answer any questions you may have, and am willing to provide details/photos of books if needed!

3.5 Voltaire Foundation: Latest Publication 'Rousseau on stage'

Following his opposition to the establishment of a theatre in Geneva, Jean-Jacques Rousseau is often considered an enemy of the stage.

Yet he was fascinated by drama: he was a keen theatre-goer, his earliest writings were operas and comedies, his admiration for Italian lyric theatre ran through his career, he wrote one of the most successful operas of the day, *Le Devin du village*, and with his *Pygmalion*, he invented a new theatrical genre, the *Scène lyrique* ('melodrama').
