Dear colleagues,

Udmurt State University (Russia) invites proposals for papers in the journal “Multilingualism and Education,” issue VIII. The journal is included into the Russian Index of Scientific Citation (RISC) and is available on-line in eLIBRARY.ru:

We are planning to improve the quality of published materials and place the journal in other data bases, including foreign ones.

Papers may be submitted in Russian, English, German, French and Spanish. All the papers will be peer-reviewed. The reviewers are prominent scholars from the universities of Russia (located in the cities of Ufa, Perm, Kazan, Izhevsk) as well as from Spain and the USA. In view of our aspiration for publishing the journal abroad the English language is preferable.

The papers will be accepted for publication after getting a positive review. The main criteria are: correspondence to the suggested topics, relevance, and novelty of the results described, authenticity, structural adequacy, logical and precise wording. The papers of Master and Post-graduates should be submitted with their scientific supervisor as a co-author.
