3.5 Graduating Next Year? 2018 Audit Grad Scheme at "Big 4" Firm

Are you interested in business and finance? Want to secure a 2018 graduate scheme before your final year even starts? Get ahead of the competition and apply now! With office locations across the UK, just follow the link below to upload your CV and we'll be in touch to progress your application.

Company	'Big 4' Global Financial Services Firm
Scheme	Audit (Business or Public Sector Audit)
Industry	Professional & Financial Services
Locations	Bristol, Cambridge, Reading, Nottingham, Aberdeen, Gatwick, Plymouth, Southampton, Birmingham, Leeds, Manchester (choice of)
Salary	Excellent + great benefits + ACA qualification
Start Date	Autumn 2018
How to apply	Upload your CV to: http://bit.ly/2rR8n73 quoting DEPT
Deadline	25 th July 2017

The Company:

- Our client is one of the world's leading professional services organisations operating in 153 countries, with 22 offices across the UK
- In the UK they offer Audit, Tax, Consultancy and Advisory services to thousands of clients, from some of the largest multinationals and best-known brands to public bodies and private individuals. They operate in virtually every sector.
- Within Audit, they have more listed companies in its portfolio than any other professional services firm. And the Public Sector Audit team is one of the largest in the UK
- They are consistently voted in the Top 10 of The Times Top 100 Graduate Employers
- They have a culture of collaboration and individuals across all levels work closely together

Scheme Selling Points:

- Career progression - accelerate your career through our client's 'Academy' – a supportive community to help those in their early career years, which will help you grow your skills and network so that you can fulfil your potential
- They support their people with up to six days of work time each year for volunteering – it's one of the ways you can make a real difference there
- ACA qualification supported with excellent exam pass rates with the firm's full-time, dedicated Professional Qualification Training (PQT) team
- Competitive salary and bonus scheme, you'll be recognised and rewarded for giving your best. Benefits include:

Weekly Round-Up, 13 July 2017

* Any weekly round-up attachments can be found at the following link

https://weblearn.ox.ac.uk/access/content/group/modlang/general/weekly_roundup/index.html

Disclaimer: The University of Oxford and the Faculty of Medieval and Modern Languages accept no responsibility for the content of any advertisement published in The Weekly Round-Up. Readers should note that the inclusion of any advertisement in no way implies approval or recommendation of either the terms of any offer contained in it or of the advertiser by the University of Oxford or The Faculty of Medieval and Modern Languages.

- Student joiner loan (up to £8,000, including season ticket loans)
- Early finish on Fridays (summer months)
- Day off on your birthday
- Lunch allowance
- Choice of multiple office locations nationwide
- Committed to diversity with a number of internal networks
- Great team spirit, collaborative culture, enormous graduate networks and regular social activities

The Audit Graduate Scheme:

- An audit gives a deep understanding of an organisation's business practices and helps to assure stakeholders that the published annual accounts are a 'true and fair' reflection of their financial performance
- Working on client projects from day one, the kind of tasks you could expect to be working on include finding out:
 - Does a business own its fixed assets, and how much is its stock really worth?
 - Does a company's record of its cash balance agree with the records of the bank?
 - What are the values of a company's investments?
 - How effective are the company's financial controls?
 - Does the company satisfy regulatory requirements?
- This firm will support and nurture your talent to help you thrive and reach your full potential while you study towards the globally recognised ACA qualification, and become an expert in your field
- You will have the opportunity to either apply for an Intensive ACA or an Empowered ACA Training programme, offering you the option of different routes to achieving your professional qualification. Both programmes take three years to complete.

Is this right for you?

You must:

- Have an interest in business and finance
- An analytical mindset
- Be on track for a 2:1 in any degree subject

How to apply:

Upload your CV to <http://bit.ly/2rR8n73> quoting DEPT. We will then be in touch to tell you the name of the company and support you through the recruitment process, before applications are even officially open. This is a free service.

3.6 Voltaire Foundation's Latest Publication

[L'Électricité médicale dans la France des Lumières](#) de François Zanetti.

François Zanetti s'intéresse ici à une pratique médicale peu explorée par les historiens: l'utilisation de l'électricité. La transformation du fluide électrique en un médicament à part entière apparaît au milieu du XVIII^e siècle comme une nouveauté fascinante qui donne à voir les mystères et les merveilles de la nature. Remède employé dans le traitement de maladies chroniques ou nerveuses, suscitant espoirs et déceptions, l'électricité est associée aux bouleversements culturels et sociaux qui animent le monde médical et qui cristallisent les tensions sociales et politiques à la fin de l'Ancien Régime.

Analysant de nombreux témoignages de médecins et de patients, François Zanetti montre comment l'électricité acquiert peu à peu sa légitimité, pour aboutir aux trois procédés devenus canoniques à la fin des années 1770 – le bain électrique, l'électrisation par étincelles et la commotion.

Weekly Round-Up, 13 July 2017

*** Any weekly round-up attachments can be found at the following link**

https://weblearn.ox.ac.uk/access/content/group/modlang/general/weekly_roundup/index.html

Disclaimer: The University of Oxford and the Faculty of Medieval and Modern Languages accept no responsibility for the content of any advertisement published in The Weekly Round-Up. Readers should note that the inclusion of any advertisement in no way implies approval or recommendation of either the terms of any offer contained in it or of the advertiser by the University of Oxford or The Faculty of Medieval and Modern Languages.

Il souligne que l'électricité médicale, qui marque l'entrée des machines dans l'espace thérapeutique, réconcilie les philosophies naturelle et morale. Au temps de la sensibilité et des philanthropes, elle devient un traitement réservé aux pauvres. Elle témoigne aussi de l'autonomie des patients dans l'interprétation de leurs maux et dans la construction de leur itinéraire thérapeutique, entre médecine officielle et praticiens irréguliers.

Dans une approche renouvelée de la médecine du XVIIIe siècle, François Zanetti met en relation des champs généralement envisagés de manière séparée, qui constituent la richesse et la complexité du monde des Lumières: recherches savantes des institutions académiques et des encyclopédies, préoccupations politiques des ministres et des administrations, et aspirations du peuple à l'amélioration des conditions de vie.

4 Year Abroad

4.1 Job Opportunities

DISCLAIMER: Please note that the inclusion of vacancies received by the Faculty is a facility to assist students in sourcing possible placements and does not constitute any sort of recommendation of the organisation, or agreement with the content of the vacancies; the Faculty attempts to provide as much information on vacancies available to students as possible and makes every effort to check that the content complies with equality legislation and is otherwise appropriate for student employment but cannot confirm the quality of the experience. Where negative feedback from previous students is received, appropriate action is taken. Students should make every effort to conduct their own research into the opportunities and providers to reassure themselves of the quality of the provision.

The latest job opportunities and internships received by the Faculty can now be found via the new jobs board:
